Congratulations on being accepted into the Texas BPA Intern program! Attached is a letter for you with links to join our Google Classroom and to sign up for your Intern Hours. You can also stop by Intern HQ-De La Salle to sign up or drop by to see if we need help during the conference. You will be checking in and out at Intern HQ to track your service hours.

You may need to join the Google Classroom with your personal email as many school emails do not allow you to join Google Classrooms outside of your district.

We look forward to working with you and cannot wait to see you in Dallas!

Thanks,
Texas Intern Program
